RULES AND REGULATIONS

1 The Avishkaar Makeathon is open for **any school entries.**

2 Organizers hold the **right to disqualify** a team if they find a lack of originality in their ideas.

3 Organizers reserve the **right to reject any entry with assigning valid reason** thereof. Any decision taken in this regard shall be final and binding and not subject to any dispute or challenge.

4 The participants agree to provide their **current, complete** and **accurate information**.

5 **Award decision made by the jury and the judges** shall be final and binding and no corresponding or communication shall be entertained in this regard.

6 The participants will have to **regularly check the website** for any developments or information that will be updated from time to time.

7 Participants **need to submit email IDs** they use regularly, as all information will be sent by email.

8 If a team registered for a competition fails to show up on the event day, i.e Avishkaar Makeathon final Showcase (in Delhi), the registration fee will be forfeited.

9 A Team should have a **minimum of 1 and maximum of 4 members**. No change in team members will be allowed after registration.

10 **Teams can use any kit/material to make their prototype/model**. No mandate on any kind of kits.

11 **Fire accelerant material used** in the designs can lead to **disqualification**.

12 Any number of entries are allowed from a school but **one participant must participate in only one team**.
