

PROTOTYPE STAGE

VIDEO SUBMISSION FORMAT

Is your project ready? Then it's time to create a video of your working model (prototype) to participate in the second stage of Avishkaar Makeathon i.e. Prototype. Now to submit your video entry, your video should comply with the following mentioned format:

- **Format of the video title:**

Your file name of video should be in the format given below :
“Team name_Theme”

- **The video should be divided into 3 parts.**

All the 3 parts MUST be included as a part of video:

01 Introduction

02 Project Description

03 Conclusion

- **Introductory slide:**

In the introductory part of the video, use the template below as per your theme. Download it and use it in your video

[Water Crisis](#)

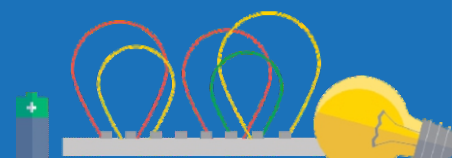

[Space Colonization](#)

[Agriculture for Zero Hunger](#)

[Interactive Art for Learning Tools](#)

[Personal Safety](#)

[E-Waste Management](#)
